

Various Marketing, Toronto

Do you love sharing stories on Social Media? Are you wildly creative and yet able to focus on the small details and executing campaigns to perfection?

Do you have a passion for medical aesthetics?

Are you keen to grow your experience in the health and wellness field?

We are SkinHealth Canada and we are a passionate team of caring individuals who believe in the brands we represent (Environ, Forlle'd and Reviv) and the transformative power they can have. Topical skincare, medical devices, intravenous vitamin infusions; we are about Health with a capital "H". We *know* our products do what they say they will do. We're not talking platitudes; we're talking *truth* and these truths translate into our consumers looking and feeling their best and our clinic partners delivering the results their clients want. Real results!

Below are some of the roles our People excel at every day.

- Digital Marketing
- Social Media
- Design
- Brand/Product Management

We're proud of the team we've curated thus far and continue our pursuit for the right talent. If you're inspired to join us, tell us a bit about yourself; we'd love to know where and how you think you can have the greatest impact.

How to apply:

If any of the above are your speciality or passion, please send your resume and a brief introduction to Stephanie Potter, Lead, People and Culture at steph@skinhealthcanada.com.

Looking forward to connecting and better learning the contribution you'd like to make.
